INTIMATE RELATIONSHIP REPORT

FOR
JIMMY AND MADDISON

Introduction and Instructions

Welcome to your report

If you are new to the Love Cards world, the following instructions may be useful!

The information in this report will basically tell you two things:

1. First it will tell you a little about yourself and your partner based upon the cards associated with your birthdays, including some traits that affect your personal relationships.
2. Then it will tell you how you and your partner connect and what these connections mean in detail.

In the Love Cards system, relationship characteristics are defined by 'connections' that are made between your cards and the cards of your partner. Each connection has a distinct quality. And in this report it is important to know that these connections are listed in the order of their strength and importance. The first three connections you find will be the most important and comprise more than half of what you experience in this relationship. Each successive connection will be a little less significant until the last connection which will be the least significant. Keep this in mind as you read the interpretations for these connections.

One interesting thing to note with your report is to count how many connections you share that come from the Spiritual Spread and how many from the Life Spread. Spiritual Spread connections are past-life connections. If a particular relationship has 3 or more of these, you can bet this relationship stems from past lives together. If you have less than 2 Spiritual Spread connections, you will know that this is a new relationship, with many possibilities. Both are great but they have different expressions and qualities.

Finally, this report may contain a section showing compatibility ratings, called Indexes, for this relationship, and possibly a page on each of your marriage-ability factors.

All about Jimmy 's Birth Card

The Jack of Clubs Person

The Mentally Creative Card

Creative, dishonest, or a mixture of both? As we can imagine, those who are the most creative can also be the most dishonest and vice versa. Here is a card of mental and financial creativity and these people are no lazy bones. Their brilliant minds are far ahead of the common person and society. They are the people of the Aquarian Age, being neither entirely male nor female. They are progressive and on the cutting edge of the evolution of our society and world.

As members of the royal family they dislike pettiness and tend to be somewhat impatient with the failings of others. They need respect and a position that allows their brilliant minds free reign to create and explore. They are never at a loss for ideas, some of which will bring them huge financial returns. On the negative side, the Jack of Clubs can be irresponsible and in some cases, dishonest. They can see things from so many levels that nothing is really 'wrong' - it is just another way of looking at things. And they can make up a story so fast that they can explain away practically anything. They don't get away with much in that regard though. Saturn's hand always reminds them of the boundaries that keep them balanced and fair. The trouble comes when they start believing their own stories, departing from reality a little too far and creating a lot of hardship before getting back on course.

They are essentially good and giving people. Even though they are argumentative at times, they are loving and friendly to all they meet.

Some of the Jack of Clubs Issues Concerning Relationships

Such a strong and fixed mental approach to life can have its share of challenges for the Jack of Clubs. Mental approaches don't always work in the realms of love. However, these people do not have particularly bad karma in this area. They need someone who is their friend first, and who will allow them some freedom to do and be themselves. If they have this, they are faithful and devoted. The men are excellent lovers and the women excellent companions.

They often have to contend with the ill health of a loved one, or their own health problems that are rooted in some emotional conflict. In most cases their health issues are related to some emotional cause, whether it be family or lover related.

All about Maddison's Birth Card

The Seven of Diamonds Person

The Card of Spiritual Values

The Seven of Diamonds is one of those unique cards called a 'semi-fixed' card. As part of a special family of seven uniquely different cards, these people fall into a different category and have a special mark on their lives. They are very stubborn, but they are also extremely creative and some are destined to become millionaires in this life by accessing the high side of this spiritual money card. By suit, they are always connected with money. As a spiritual number, they must maintain a non-attached attitude about money or there will be continuous problems in this area. We find they are either worrying about it all the time or not worrying and having as much as they like. Regardless, many of their life lessons will come through this avenue.

The other avenue is their close relationships. Family, lovers and friends are all very important to the Seven of Diamonds person. They have close ties, for better or worse, with their family and share in their trials. They have a high, spiritual love nature that often entails making personal sacrifices for their family and other close relationships. There is little they wouldn't do on behalf of their parents or family. This is one of the most spiritual cards in the deck and as such, their success comes from approaching life in ways other than traditional or materialistic. The most successful among them are the ones that live in the faith that all their needs will always be provided.

They are usually restless, making frequent changes in either occupation or location. Their love life usually entails sacrifice and disappointment until they learn to let others go and be as they are. In their spiritual studies they find inner satisfaction and validation for their own intuition. Once on the spiritual path, everything in their life is put into proper perspective and they can excel in any chosen field.

Some of the Seven of Diamonds Issues Concerning Relationships

For such a spiritual card as the Seven of Diamonds, issues in relationships revolve around letting go of personal attachments and developing a more spiritual approach to love. They are, by nature, very loving people and are willing to make sacrifices on behalf of those they love. There are bound to have one or more karmic love involvements that challenge them to raise their level of love to more spiritual and responsible heights. Like other cards, they have high ideals associated with love and partnership. But these people are more or less destined to have these ideals tested every step along the way. Their stubbornness and independence attracts powerful relationships into their life, ones that teach them important lessons.

Most Seven of Diamonds females are attracted to, and often marry men of the Heart suit. They also hold some fantasies about Diamond men. The male Seven of Diamonds is attracted to Spade females and usually has many Club females as friends and associates. Club males challenge the Seven of Diamonds female.

Maddison is the Jupiter Card to Jimmy
Location: Life Spread

Jimmy's Birth Card

This is a wonderful connection that is often found among the cards of happy and productive relationships. One of the main benefits of it is the financial end but it has other significant benefits as well. Jupiter is known among astrologers as the 'great benefic'. It is the only planet in our solar system that gives off more energy than it receives from the Sun. Its location in our natal astrological chart always points to some area of our life where things come easily to us and where we have many blessings to be thankful for. In this relationship, Jimmy has much to be thankful for, thanks to Maddison, because she is a major blessing in Jimmy's life.

These blessings may take many forms but they are often of the financial nature. Even though as a couple Maddison and Jimmy may not be wealthy, Maddison definitely likes to give things, including money, to Jimmy. This natural inclination to give is one of the signs of prosperity consciousness. Therefore, if not now, it could lead to great financial success in the future. This is an especially strong possibility if Jimmy expresses and feels appreciation for Maddison. Appreciation is one of the most important keys in obtaining prosperity. If Jimmy will allow the appreciation engendered by this connection to grow, and if he expresses this verbally, this relationship could bloom into a prosperous and happy life together where there is much more money and things than they could ever use or need.

On other levels the Jupiter connection can bring blessings of many forms. There could be a sharing of philosophies and spiritual ideals. Maddison may provide beneficial guidance and inspiration to Jimmy. Essentially she will have a natural desire to give whatever she has that Jimmy values. If Jimmy wants to see the blessings in this relationship grow, just remember to feel and express the appreciation, as was mentioned earlier.

This connection increases the overall compatibility between Maddison and Jimmy to a good degree. The fact that they have this connection points to some good karma for both of them, something that they earned by doing good deeds for others in the past. It is a sign of good fortune and if harnessed in the ways mentioned above, will develop into one of the cornerstones of their happiness together and provide the prosperity that will ensure an abundant and happy future.

Maddison's Birth Card

Affirmation for Maddison: I am glad to be a blessing in Jimmy's life and hope that I can give him all that I have to give. I allow myself to express my generosity in its fullest with no expectation that Jimmy must act in any particular way as payment for my giving. My giving is complete in and of itself.

Affirmation for Jimmy: I am grateful for the presence of Maddison in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings and transform our relationship into a powerful force for prosperity, peace and abundance.

Your Second Connection (20% of total)

Jimmy is the Mars Card to Maddison
Location: Life Spread

Jimmy's Birth Card

Jimmy has a definite impact on Maddison in this relationship. He has a way of making Maddison feel stimulated. Often this stimulation can be of a sexual nature. For this reason, the Mars connection is often a deciding factor in our choice of partners. There is no doubt that Maddison was or is attracted to Jimmy on this level. She may enjoy this energetic connection or, at other times, be annoyed by it. If Maddison sometimes gets mad at Jimmy, this is because Mars energy can be destructive at times if not harnessed and channeled into positive pursuits. The things that turn Maddison on may also be the same things which anger her at other times. This is how Mars energy works with everyone. It is a fact that the relationships we desire the most are usually the ones that can stimulate the most hostility at other times. When Mars energy is not used constructively it can result in fighting, resentment, hostility and in some cases, all out war.

But Maddison can use this information and consciously transform the often negative effects of this Mars connection into positive directions. It is not that difficult to keep a Mars relationship healthy. It just requires some awareness and thoughtfulness. Jimmy can actually be a catalyst to get her out of the house and doing things. To give this powerful Mars energy something constructive to do, it is recommended that Jimmy and Maddison go outside and do things together, or at the very least, find something productive to do together with this energy. Couples with this connection usually go walking, hiking, jogging, riding bicycles or participate in other forms of physical exertion. All of these and others serve to exhaust the Mars energy and satisfy it. When they do these sorts of activities together, they will always notice that they feel better, both personally and about each other, afterwards.

If Jimmy and Maddison have any desire to work together, they have found the perfect partner to do it with. Many successful working partnerships have this valuable Mars connection. But even in this case, Maddison should be on the lookout for the anger and competitive sides of this influence.

Maddison's Birth Card

Because Maddison is the one who is on the receiving end of this powerful Martian force, it is likely that she has 'anger issues' to work out that are stimulated by Jimmy's presence in her life. It may appear that Jimmy seems intent on doing things that make her mad, even without knowing it. If Jimmy realizes this, he will be less likely to take offense at her reactions and words. In fact, Jimmy is probably not doing any of the things that Maddison thinks he is doing. This connection tells us that Maddison is the one who is the most influenced by this connection, and so she is also the one who bears the greatest responsibility for dealing with the emotions that are associated with it. If there are other Mars connections between them, this becomes even more important. Anger is actually a mistaken belief that others are intentionally disregarding us or trying to hurt us in some way. This 'misbelief' can be dismantled with awareness of what is going on and maintaining good communications.

This connection provides a lot of the spark and magic in this relationship. If Jimmy and Maddison use it with care, it can bring them much of what they want out of life. Any negative manifestations of this powerful energy can be controlled and eliminated through conscious awareness and when this is the case, it becomes like a genie in a bottle who can grant them all their wishes.

Affirmation for Jimmy : I am aware of how much I stimulate Maddison and understand her feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Maddison: I accept Jimmy as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. With his help, I am diffusing my own anger and channeling my energy into positive directions.

Your Third Connection (15% of total)

Maddison is the Cosmic Reward Card to Jimmy
Location: Spiritual Spread

Jimmy's Birth Card

This is a past-life connection and one that has strong, spiritual overtones. The Cosmic Reward Card is associated with Jupiter and as such can be a blessing in our life. But whereas Jupiter's blessings are often of a financial nature, the Cosmic Reward Card's blessings are usually of a less material nature. In its highest manifestation, the Cosmic Reward connection will bring us experiences that validate our own importance in the universe, helping us feel connected and blessed by higher powers. We can receive guidance and confirmation about our life and its purpose. Feelings can arise that inspire us, enliven us and make us feel good about living. These are things that we often do not value much until we have advanced in age to some degree. In general, we say that Cosmic Reward relationships are perceived as more of a blessing after the age of 35. But this is only based on averages and norms. Anyone can be more interested in these things at any age.

Jimmy is the one who is receiving this Cosmic Reward influence from Maddison. This means that Maddison could be a very important blessing in his life, if he is willing and able to receive it. Since the Cosmic Reward Card follows the Pluto Card, it is often only after we have done our own work of personal transformation, indicated by our Pluto Card, that we are rewarded, so to speak, by our Cosmic Reward Card. The Cosmic Reward Card, is, in any case, something that we are destined to become or achieve in this lifetime. This means that Jimmy may feel drawn to Maddison because he can perceive that Maddison has these qualities that are a part of his destiny. If Jimmy is creating a happy life for himself, Maddison will be a natural part of that happiness, if other connections do not strongly indicate otherwise.

Maddison's Birth Card

This connection guarantees that this relationship has a certain amount of compatibility potential. Maddison truly feels encouraged to give to Jimmy and to share her wealth and abundance with him. This giving attitude can be part of a good foundation for a successful relationship. But, if Jimmy has not yet dealt with his own need for change in this lifetime, Maddison may just serve as a reminder to him of this fact. If this is the case, Maddison may seem more of a confronting and challenging influence to Jimmy.

So, we see that much of how this connection affects the relationship lies in the hands of Jimmy. It is for him to decide what to make of it. Hopefully, he will be ready to receive Maddison as the blessing in his life that she has the potential to be. Later, he may realize that they were destined to be together, which is a common experience with this connection.

Affirmation for Maddison: I am glad to be a blessing in Jimmy's life and hope that I can give him all that I have to give. I understand that he may be challenged by me at times and have compassion for this. I only wish the best for him.

Affirmation for Jimmy: I am grateful for the presence of Maddison in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.

Your Fourth Connection (10% of total)

Maddison and Jimmy are Mars to each other
Location: Life Spread

Jimmy's PR Card

This connection is probably one of, if not the most, energetic connection that any couple can have. Mars produces energy, passion and irritation. It stirs up a lot of energy that must be harnessed and put to use, or it will tend to be destructive and conflictive. In this relationship Maddison and Jimmy both inspire Mars energy in each other. This serves to double and even triple the Mars energy between them. Therefore, these two will be having to deal with both the positive and negative effects of this Mars connection for the duration of their relationship. With conscious awareness of what is going on, they can harness this powerful connection to accomplish many things and develop an active and enjoyable life together.

Mars connections can be very good for sex, and for working together. Mars is a passionate planet, and inspires us to do things passionately. Sexually, this aspect produces a lot of pure physical attraction, and it is usually mutually experienced by both partners. Also, this connection is one of the very best for couples who work together. Sex and working together are both ways in which this powerful Martian energy can be expressed in positive ways. Many successful working couples have at least one Mars connection between them. In the case of Maddison and Jimmy, it is like having two or three connections in just this one. Other positive expressions of Mars energy include hiking, jogging, biking or walking together. Dancing, working out and any other form of shared physical exertion are highly recommended. Otherwise, the negative expressions of Mars energy will predominate. These include fighting, blame, hostility, all forms of abuse, and lots of arguments. Just think of Mars as a magic genie who will grant all of your wishes with one condition - you must keep her busy. If you don't give her something to do, then she will come after you and try to kill you.

Maddison's PR Card

Maddison and Jimmy will have to take great care in this relationship not to allow the negative aspects of Mars to captivate all their attention. This much Mars energy can easily have them getting angry with each other on a frequent basis. Couples who have Mars connections are often drawn together because they have habitual patterns of blame and anger with which they approach their closest relationships. Mars connections give them the opportunity to work on these patterns, which can be holding them back in many areas of their life. There are definitely things about Maddison and Jimmy that can irritate each other, because on some level each of them reminds the other of some of the things that she or he doesn't like about themselves. Each of us has some things that we don't like about ourselves, things that we get mad at ourselves for. When we meet someone who is our Mars Card, they will remind us of those things. Initially, we may get mad at them and think that they are the problem. Closer analysis reveals that it is only that they are reminding us of these inner conflicts that we haven't resolved. So, in essence, a Mars relationship acts as a catalyst to help us learn to love ourselves. But sometimes it takes years before we begin to realize that the problem is within us, and not in our partner. Getting beyond the stage of blame to the stage of self-reflection is an important step that anyone with anger issues must make. Because of this strong Mars connection, there is a good chance that both Maddison and Jimmy have some anger issues to work on.

Keeping all of this in mind, Maddison and Jimmy can use this powerful Martian force to accomplish many good things. If they are both career-minded, this energy can inspire them into productivity and accomplishment. Even if they do not share career ambitions, this energy can help them get more physically active and healthy. There are many wonderful uses for this Martian force and Maddison and Jimmy can have a lot of fun discovering them.

Affirmation for Maddison: I am aware of how much I stimulate Jimmy and understand his feelings because I can see how Jimmy stimulates me as well. I take full responsibility for my own anger, seeing that it resides within me first. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Jimmy: I accept Maddison as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. This relationship represents a wonderful opportunity for me to release my anger and transform it into positive, creative energy that can benefit my life in many ways.

Your Seventh Connection (6% of total)

Jimmy is the Uranus Card to Maddison
Location: Life Spread

Jimmy's PR
Card

The first and foremost meaning to a Uranus connection is friendship. The second word that we must also use to describe it is freedom. Often, relationships can conflict with either friendship or freedom. But in this relationship, Jimmy and Maddison have the opportunity to experience both freedom and friendship, qualities that are extremely valuable and sometimes difficult to achieve in an intimate relationship where personal needs become so important. This can truly be a relationship of the future, where both Jimmy and Maddison respect each other's differences and allow each other the space and time to pursue their individual goals and aspirations, and yet value the time they spend together.

In this particular relationship, Maddison is on the receiving end of most of the Uranian/Aquarian energies. This means that she is the one who will most likely have to let go of any personal needs to have Jimmy behave in any sort of manner. When someone is our Uranus Card, we may often feel uncertain about them - whether or not they love us, will stay with us, or can be counted on to be there when we need them. Uranus does not support having many expectations of our partner. If Maddison is someone who requires a lot of hand holding, or who has many insecurities about being abandoned in a love relationship, Jimmy will be a real test for her. Even though it probably will not be intentional, he will do things unexpectedly, come and go as he pleases, or act in other ways that could make Maddison feel afraid. As a matter of fact, Maddison may have been attracted to Jimmy for his fun-loving, free nature. This is probably because Maddison would like to experience more freedom in her love life as well. So, this relationship could be a challenge for her and help her to learn to let go and trust in love.

In other cases, Uranian relationships are just true friendships. Both partners have their own jobs or professions, they share time together but also give each other plenty of space to pursue their own hobbies and goals. Some couples really like this kind of relationship and it fits them very well. But sometimes relationships start out this way and then later, the needs or values of one or both of the partners changes. When this happens, one of the partners may comment that they have very little in common with their partner, or that they rarely spend any time together.

So, exactly how this relationship develops will depend a lot on what both Jimmy and Maddison want from their being together. This will be especially important for Maddison since she is on the receiving end of the Uranian energies of this connection. If this connection is among the first three between Jimmy and Maddison, we can expect this to be even more important since then we know that freedom and friendship are probably some of the most important issues to be addressed.

Jimmy and Maddison will be happy to know that this connection has very high potential value. The ideal of the Aquarian relationship is a very high form of love that is unconditional and real. If they are able to manifest this unconditional love between them, they will have the opportunity to experience transformation of their own personalities as well.

Affirmation for Jimmy : I realize the powerful effect I have on Maddison. Though I will never allow her to control me or dictate my actions, I will express my love to her so that she knows that I really care.

Affirmation for Maddison: I allow Jimmy to be completely free to be himself. In this way, I am creating the relationship of my dreams - one based upon true friendship and unconditional love.

This foundation of principle can be one of the most important cornerstones of their relationship, and one which they draw strength and purpose from during their life together. Their beliefs and philosophies do not even have to be verbally expressed. Because this connection stems from a past life, the closeness they share is just there - it needs no explanation, unless they feel the need, for some reason, to express it.

Maddison and Jimmy enjoy giving to each other in many ways as a natural expression of their love. Jimmy is the Cosmic Reward Card to Maddison
Location: Life Spread

Jimmy's
Karma Card 2

This connection is often found between couples who are either successfully married or otherwise committed to being together. Our Cosmic Reward Card is often someone with whom we are destined to be with, usually later in our life. It doesn't have to be in the later years of our life, but usually, this is the time in our life when we have completed much of our own personal transformation and have gotten to know just what things and people make us the most happy. In this relationship, Jimmy is the Cosmic Reward, or Blessing, Card of Maddison's. Therefore she is the one who is receiving this blessing and reward energy from Jimmy and this connection affects her the most.

Just how Maddison will experience this connection will be directly affected by her attitude and the measure of her own consciousness about her life. If she is someone who has learned a lot about herself, both her gifts and her challenges, then she will probably experience Jimmy as an important blessing in her life that she derives much pleasure and happiness from. If, on the other hand, Maddison is still getting to know herself and hasn't yet dealt with the challenges and changes that are represented by her Pluto Card in the Life Spread, she probably finds Jimmy to be a great challenge in her life, someone who seems to confront her often, or remind her of what she may become, but is not. It is important for Maddison to become familiar with the meaning of her Pluto Card and how that represents some of the internal changes that she will have to make in this lifetime in order for her to fully understand her relationship with Jimmy. The Pluto and Cosmic Reward Card are closely related, one precedes the other. It is after we have met the challenge implied by our lifetime Pluto Card that our Cosmic Reward Card is able to manifest its fullest blessings in our life.

Jimmy is influenced by this connection in that he is encouraged to give of himself to Maddison. He naturally wants to give to and share with Maddison all of the things that he feels are blessings in his own life. This giving can help create a powerful bond of mutual generosity and appreciation between them, which can become one of the foundations for a beautiful and long lasting marriage or other relationship. However, for this to happen, Maddison must express the appreciation she feels for Jimmy's contribution. The Cosmic Reward connection implies that this may be more difficult to do if Maddison is still wrestling with some of her own basic personal issues. However, she may sense the importance of Jimmy anyway and be acting on instinct in her attraction for him. It really doesn't matter in one way of looking at it - if Maddison stays with Jimmy long enough, these blessings are guaranteed to show up and become a positive influence in their relationship. This is one of those connections that is like a fine wine - the older it is, the better it is.

In its highest expression, the Cosmic Reward connection can make us feel truly blessed by the universe and give us a sense that we are in the perfect place and time for our highest good. It can help us feel that everything is as it should be and that nothing that occurs in our life is without a perfect and loving purpose. We feel more connected to everything, especially the cosmic rhythm and timing of the universe and have experiences that remind us that we are blessed in every way. So, this is the potential for Maddison in this relationship and for Jimmy as well if Maddison allows these influences to be appreciated. And remember that with this connection, time is always on their side. The longer they remain together, the better it will be.

Affirmation for Jimmy : I am glad to be a blessing in Maddison's life and hope that I can give her all that I have to give. I understand that she may be challenged by me at times and have compassion for this. I only wish the best for her.

Affirmation for Maddison: I am grateful for the presence of Jimmy in my life. I accept all the good things that he brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.

Maddison is the Mars Card to Jimmy
Location: Spiritual Spread

Jimmy's
Karma Card 2

This is one of those 'instant recognition', past-life connections that is responsible for many marriages and friendships. This connection tells us that Maddison and Jimmy have shared some past lives together. In one of those lifetimes they developed a strong Martian energy between them, which in this lifetime seeks resolution. Now, in this lifetime, there is a strong likelihood that Maddison and Jimmy will feel some sort of familiarity when they meet, and there could be a strong attraction that draws them together. Martian energy is either passionate and aggressive or competitive and hostile. Often it is a curious mixture of the passion and hostile energies.

In particular, Maddison is a strong stimulant to Jimmy. She will either excite him, make him angry or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, Jimmy will have a great responsibility to channel this energy into positive activities. Lovemaking is a wonderful outlet for this energy and there is no doubt that passion exists for this couple. In many cases, this connection exists between a couple who had unfulfilled passion for each other from the past life in question. It was an unconsummated love that for whatever reason, was never allowed to run full circle. Now, when they meet in this lifetime, the passion is right there, as if it had just been waiting for them to meet to be realized. 'Lust at first sight' might describe it quite well.

But there is an equal possibility that Maddison and Jimmy were involved in some other sort of relationship in that lifetime which resulted in unresolved feelings of anger or hostility. If this is the case, the two of them will have to work on correcting this because any hostility we feel for another will have to eventually be transformed into love. Other connections between Maddison and Jimmy may reveal whether or not this is the case. But they will probably already know the answer to this question from their personal feelings about each other.

Regardless of the reason for their getting together, in the here and now they will have to come up with a formula to deal with this Mars energy they share. One of the most positive outlets for this energy is to work together. As a matter of fact, most of the couples who have successful working and romantic relationships have one or more strong Mars connections between them. Working together provides a wonderful outlet for all those Martian energies. The energy becomes a blessing in their relationship, inspiring them to be productive and to 'get going'. Other good things to do with Mars energy is to get outside and walk, hike, ride bicycles, jog, and other forms of shared physical exertion. Maddison and Jimmy will find that engaging in these kinds of activities always brings them closer together and funnels off the competitive and aggressive energies into positive pursuits.

When there are Mars connections, regardless of what else exists between two people, we know that there are some anger issues to work on in the context of their being together. In this relationship, Jimmy is probably the one who allows Maddison to anger him. Because Maddison is his Mars Card, he is the one who is reacting to Maddison as a Mars influence. He also bears the greater responsibility for this anger or competitiveness when it comes up. The trick to dealing with anger issues effectively is to realize that rarely do people do or say things to make us mad on purpose. It is often our interpretation of their actions or words that makes us angry. This is the challenge for Jimmy and he probably chose Maddison to have the opportunity to work on this.

In conclusion, this relationship provides a powerful stimulus for both partners, even though Jimmy may be affected a little more since he is the one receiving most of the Mars energy. If Maddison and Jimmy take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

Affirmation for Maddison: I am aware of how much I stimulate Jimmy and understand his feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Jimmy : I accept Maddison as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. With her help, I am diffusing my own anger and channeling my energy into positive directions.
